Introducing Executive Residence...

The New Sign of Success

For those who are True Achievers

Executive Residence Privileges:

Success is a journey... not a destination

A Community of Achievers

Where diplomacy and business meet

Being an Executive signifies belonging to a special group of aspiring individuals driven by pure ambition and success. Facing challenges on a daily basis both at the workplace and at home - schedules are hectic and balancing between career, family and life is part of the unique lifestyle.

Where success resides

Executive Residence offers luxurious practical solutions designed specifically for this community of true achievers, that shares the same background and goals – with yet much more to accomplish in life.

Aspiring for better

Executive Residence Privileges:

Green Corner

Central Green Park

All true success depends on yourself

To be part of an effective, successful society is now a reality. The aim of not settling for less and contiuously seeking to upgrade in life is fulfilled at Executive Residence, with all the elements to realize your aspirations and support you in the continuing pursuit for what is better.

Belong to a community of high fliers

Raising your children within a balanced, coherent community sharing the same values, is at the top of your priorities to prepare them for their futures. Witness them develop and grow, assured by the fact that they are being brought up within the society of your choice and among healthy surroundings of rich greenery and landscaping present in the various outdoor facilities such as the Central Green Park and the Green Corner.

Have an eye on the world

Executive Residence Privileges:

Help Desk

Concierge Services

Business class living

Members of this selective community comprise our country's finest representatives who have been all over the globe, with enriched lives and impeccable taste. This "Business Class" is accustomed to top-notch quality, luxury and practicality - all at a sensible price.

World class quality and services

Executive Residence is designed specially for these distinguished world travelers to make a home at, with various amenities to serve an exceptional lifestyle. Introducing the "Help Desk"- a single contact acting as your personal secretary/assistant at home - providing all the support you receive at the office. Making restaurant reservations, booking personal trips, or simply arranging for a meeting is carried out by professional and reliable staff. In addition to this, Concierge Services will also be available for you to assist you personally in the facilities of the compound - for the arrangement of a baby-sitter, a housekeeping issue, or the booking of a chauffeur for drop-off at the airport.

Choose to connect with like-minded peers

Executive Residence Privileges:

Café & Restaurant

When success surrounds you

Be among your like-minded peers - a community of high-fliers, who share the same values, goals, and aspirations - and have the same genuine passion for success.

Staying in touch

Living life to the fullest is an essential part of the culture at Executive Residence. With your spouse traveling, staying in touch and socializing with friends over a quick coffee, or an elaborate multi-course dinner at the restaurant requires minimum effort and is very convenient. With the café and restaurant so close to home and the children under trustworthy supervision in the playground, you can take a break and enjoy these precious times.

Balance work and life

Executive Residence Privileges:

Stay Connected at all times

Power Supply Outlets Outdoors

Time management: the choice is yours

Being part of a community of achievers already on the ladder of success, you are continuously short on time and crave the balance between work and life. At Executive Residence, the option to work outdoors is made available to you, with the help of the services offered to facilitate your life, while your children enjoy the outdoors and your presence at the same time.

Always stay connected

Knowing how important it is to always be connected, wireless connections (WiFi) are available all over the compound. As for the parks and outdoor facilities, power supply outlets are provided for you to plug-in if your battery happens to fail you, to avoid any inconvenience and help you achieve the balance you long for.

Delegate to enjoy life

Executive Residence Privileges:

Catering Serivces

Chauffeur Services

The clubhouse

One of the essential keys to success is delegation. At Executive Residence, the clubhouse provides various support services to relieve you from the hassle of planning and organizing for entertaining your guests; allowing you to better manage your time, freeing you to network for business or for pleasure with minimum effort.

An extension of your home

With your special lifestyle in mind, the clubhouse is designed to be an extension of your home, with facilities and personnel to assist you and accommodate your particular needs. Experience the practicality of inviting your guests at the clubhouse, instead of going through all the details of doing it at home. Arrange for a surprise romantic dinner for you and your spouse, or take advantage of the professional catering service of excellent quality while your spouse is traveling. In addition to this, the trained staff will include errand runners to do odd jobs and reliable chauffeurs to drive you around – providing you with time to relax and enjoy your life.

Stay Focused

Executive Residence Privileges:

IT Support

Private Meeting Lounges

The executive lounge

Inspired by the White House, the "Executive Lounge" will help you manage and take control of your life by offering a variety of services; both professional and personal, freeing you to remain focused on your career and responsibilities, ensuring your success.

An extension of your office

With facilities such as the Business Center complete with administrative services, messengers, mini-conference rooms, video-conferencing technology, and the business lounge for meetings, you will have the choice to work from home with no inconveniences. If IT support is needed, the professional staff will provide the proper and dependable support.

Staying positive

Executive Residence Privileges:

Green Pond

Meditation Grounds

Positive energy environment

The fast paced style of life you lead with the continuing pressures and stress at work, takes its toll on your body, affects your efficieney and effectiveness. This in turn is negatively reflected on every aspect of your life, bringing to mind the old Arabic proverb: "A healthy mind resides in a healthy body".

The balanced environment

With the innovative support of scientific experts on positive energy, Executive Residence offers the perfect atmosphere to relax and unwind. The calculated curves and continuous flow of water in the Green Pond are designed to promote and maximize the flow of positive energy across the compound, both indoors and outdoors. As for the Meditation Grounds, for those who practice yoga and meditate regularly, they will find a haven of serenity, ensuring balance, harmony and overall well being.

Appreciate quality & beauty

Executive Residence Privileges:

Water Features

Outdoor Pool

Indulge in the elements of nature

Based on extensive exposure, successful people have an eye for quality and beauty in all that surrounds them. At Executive Residence, meticulous attention to detail is implemented especially to the landscaping and water features, to help create this scenic atmosphere.

Enjoy the outdoors

Take pleasure in being surrounded by rare natural beauty at Executive Residence. Enjoy a calming stroll in the Central Green Park among exquisite landscaping, listening to the calming sound of water features and relish the beauty of the colorful flower beds beside the pool – nature here is surely at its best.
